

I strongly believe that KLOVE is an asset to me and to my community. I never have to worry that the song lyrics will be offensive, obscene, or raunchy. Likewise, the announcers are encouraging and positive. This is a station that is an oasis amongst all the porn, obscenity and violence that is rampant in nearly every other media outlet in our country. It would be a terrible loss to our community, the entire country and many parts of the world where KLOVE is broadcast, if KLOVE were not available.
